Preferred method of contact: Primary: ☐ Phone ☐ Fax ☐ Email Secondary: ☐ Phone ☐ Fax ☐ Email

Office Address: 1151 Old York Road, Suite 200 City/State/ZIP Code: Abington, PA 19001

As the undersigned Prescriber, or the Prescriber's Designated Agent, I hereby authorize the use or disclosure of the patient's health information contained on this start form to the patient's other healthcare providers (including pharmacies and Greenwich Biosciences, Inc.), their respective agents and contractors and other designees that are involved in the patient's treatment ("Providers") and health plans or insurers and their respective agents and designees ("Insurers") to: (1) determine the patient's insurance benefits for EPIDIOLEX; (2) transmit the necessary information to a pharmacy that will fill the patient's prescription, and to obtain information from the pharmacy regarding delivery of such prescribed medication and related matters; (3) contact the patient to obtain any necessary signatures, consents or information relating to the patient's treatment*; (4) contact the patient in order to ask whether the patient would like to apply for the Greenwich Biosciences Patient Assistance Program, and to request information from the patient or from patient's designees needed to determine eligibility for the program; and (5) to provide other related care coordination services.

I certify that the patient's authorization to use and disclose the patient's personally identifiable health information for the purposes permitted under this "Healthcare Provider Authorization" section has been obtained, as required by HIPAA. I agree that the patient's Providers and Insurers may contact the Prescriber or the Designated Agent, as applicable, for additional information as needed relating to the patient's EPIDIOLEX therapy. The undersigned certifies that: (1) the Prescriber has prescribed EPIDIOLEX for the identified patient; (2) the Prescriber has determined that EPIDIOLEX is medically necessary for this patient; (3) if the undersigned is a "Designated Agent", such person is duly authorized by the Prescriber to sign this "Healthcare Provider Authorization" on the Prescriber's behalf, in accordance with applicable law and medical standards; and (4) the information provided on this form is accurate to the best of their knowledge.

Signature: _____ **Date:** _____ **Name/Title (if Designated Agent):** _____

*If legal guardian/patient is unavailable to provide a signature on Page 2, the Epidiolex Engage Team will contact the legal guardian/patient to obtain authorization.

Please fax the completed form, as well as the front and back of the patient's insurance cards, to one of the Epidiolex Engage Program providers below. If submitting directly to a Specialty Pharmacy, the appropriate prescription must also be submitted by fax or eRx.

SECTION 4: HIPAA PATIENT AUTHORIZATION†

By signing this HIPAA Patient Authorization Form ("Authorization"), I hereby request and authorize my physicians, my pharmacists (including any specialty pharmacy that receives my prescription for EPIDIOLEX) and other healthcare providers ("Providers"), and my health insurers ("Insurers") and their respective agents and contractors, to disclose my protected health information, including but not limited to, information related to my medical condition and treatment (including prescription information), my health insurance coverage and policy number, my name, mailing and e-mail address(es), telephone number, date of birth and Social Security Number ("Protected Health Information" or "PHI"), to Greenwich Biosciences, Inc. and its affiliates, and their respective agents and contractors (collectively, "Greenwich Biosciences") for the following purposes: (i) to contact me, my personal representative(s), guardian(s) or designees, my Providers, Insurers or others I have identified, about my disease or treatment (including EPIDIOLEX); (ii) to provide me with information about support and patient assistance programs and services offered by Greenwich Biosciences; and (iii) to improve or develop products (including EPIDIOLEX), services, programs, or treatment related to my disease; (iv) to de-identify my PHI or combine it with other data for research or analysis. I understand that my pharmacy provider may receive remuneration from Greenwich Biosciences in exchange for sharing information or for my pharmacy providing any support services to me.

I understand that once my PHI has been disclosed to Greenwich Biosciences, my information may be protected by certain state privacy laws but may no longer be protected under federal privacy laws and that my PHI may be subject to re-disclosure. I understand that Greenwich Biosciences will not sell my name, address, e-mail address, or any other information to another party for their own marketing use. I understand that I am not required to agree to this Authorization. If I do not agree, my treatment (including receipt of EPIDIOLEX), payment for my treatment, or eligibility for insurance benefits will not be affected, but I may not receive the other services described above.

I understand that I may cancel this Authorization at any time by: faxing my cancellation to 1-855-518-7566, calling 1-833-GBNGAGE (1-833-426-4243) or mailing a letter to PO Box 5490, Louisville, KY 40255. The Greenwich Biosciences representative shall provide timely notification of my cancellation to the applicable parties. Once they receive and process the notice of cancellation of this Authorization, the applicable parties may no longer share my PHI with Greenwich Biosciences as permitted by this Authorization. However, cancelling this Authorization will not affect any action(s) taken by applicable parties based on this Authorization before receipt of my notice of cancellation. This Authorization will expire in five (5) years from the date this Authorization is signed below, unless a shorter period is required by law of my state of residence. I understand that I have a right to request and to receive a copy of this Authorization.

By signing below, I am indicating that I have read and understood the information set forth in this Authorization.

Patient Name:_____ Date of Birth:_____

Name (if Different from Patient):_____ Relationship to Patient:_____
