By signing this form, I hereby authorize each of my physicians, pharmacists (including any specialty pharmacy) that receives my prescription for a UCB medication, and other of my healthcare providers (together, "Providers") and each of my health insurers (together, "Insurers") to disclose information related to my medical condition and treatment (including prescription information), my health insurance coverage and policy number, my name, mailing and email addresses, telephone number, date of birth and Social Security Number (together, "Protected Health Information"), to UCB, Inc. and its agents, service providers, contractors and representatives (together, "UCB"), so that UCB may:

- (i) enroll me in, and contact me about, UCB medication support programs.
- (ii) provide me with educational materials, information, and services related to UCB medications.
- (iii) verify, investigate, assist with, and coordinate my coverage for a UCB medication with my Insurers and Providers.
- (iv) conduct market analyses/research or other commercial activity, including aggregating my Protected Health Information with other data for such analyses.
- (v) assist with analysis related to quality, efficacy, and safety for UCB medication, and, in some cases, contact you to follow up on adverse events in order to obtain additional information.
- (vi) de-identify my Protected Health Information for use for any purpose under applicable law.

I understand that once my Protected Health Information has been disclosed to UCB, federal privacy laws may no longer protect the information and it may be subject to re-disclosure. I understand that one or more Provider and/or Insurer may receive payment from UCB for disclosing my Protected Health Information for some or all of the purposes listed above.

I understand that I am not required to sign this Patient Authorization to Use/Disclose Health Information Authorization, and that if I decline to sign, that will not affect my treatment (including the receipt of UCB medication), payment for treatment, insurance enrollment, or eligibility for insurance benefits, but it may mean that I will not receive the other services described above.

Once my Providers and Insurers receive and process the notice of cancellation (revocation) of this Authorization, my Providers and Insurers may no longer make disclosures of my Protected Health Information to UCB as permitted by this Authorization.

However, cancelling this Authorization will not affect any action(s) taken by my Providers or Insurers based on this Authorization before receipt of my notice of cancellation. This authorization expires 10 years from the date it was signed, or such earlier date as required by applicable law unless I cancel it beforehand.
